STRUT Introduces Bentley Continental GT Speed Collection

San Clemente, CA—September 2009—[STRUT](#) has announced the availability of a new stainless steel jewelry collection designed exclusively for the Bentley Continental GT Speed—model years 2008-2010.

The jewelry-grade stainless steel collection features a primary grille with polished surround with a diamond woven mesh insert. The SS collection joins the Carbon Fiber and Fiber Glass collections giving Bentley GT Speed owners more options to customize their prized vehicle.

Included in the collection is a primary front grille and a three piece lower air intake vent both of which feature the distinctive STRUT shield along with one shield for the trunk.

About [STRUT](#)

Located in San Clemente, California, STRUT has achieved benchmark status throughout the world for their trendsetting and distinctive jewelry collections, wheels, and accessories designed for connoisseurs of luxury automobiles. Created like fine jewelry, each handcrafted collection is personally signed by the artisan, further reflecting the passion and pride they take in their work. The 2002–2008 STRUT Collections can be viewed at www.strutwear.com.
